What Are Total Care Plans?

Montrose Pet Hospital Total Care Plans cover the best preventive care your pets need to maximize their lives. You get about a **50% discount** on plan covered services plus additional out-of-plan savings!

What Do Total Care Plans Cover?

- Free office calls (by appointment[†])
- Covered core vaccines
 - * Canine Distemper, Rabies, Leptospirosis, and Bordetella
 - * Feline Distemper, Rabies, and Feline Leukemia
 - * Core vaccines are provided according to your pet's age and your Total Care Plan.
 - * Rattlesnake and vaccines not considered a core vaccine will get your plan discount.
- Complete physical exams
- Laboratory Testing
 - * Intestinal parasite screen
 - * Heartworm testing
 - * Feline leukemia and feline AIDS testing
- Discounts on other services

Benefits for you and your pets!

- Early Detection - *Early treatment can help prevent bigger problems later.*
- Continuous Care - *Regular checkups help to keep your pets healthy throughout their lives.*
- Affordable - *You get significant savings over the life of your pet!*

How Can You Enroll Your Pet?

Ask any of our staff at Montrose Pet Hospital to explain how a Total Care Plan can help your pet. Once you and your doctor decide which plan best suits your pets needs, just endorse the agreement and your pet is on its way to a happier, healthier, and longer life!
